Subject: New Olympic Crime Banners

Chief and Commander,

Our collaborative with the Wilshire BID has produced the crime prevention banners we had discussed earlier in the year as a 2018 crime prevention strategy.

We have placed four of these banners strategically in the BID zone that covers two Laser Zones.

Wilshire BID paid for the cost of producing them in order to improve the quality of life.

We are hopeful that these will help with both our violent and property crime strategies.

Dave

Captain David Kowalski
Commanding Officer
